

**Review session:** Tuesday 9/24/24 at 9:15-10:45 PM in Bracy 02/04/06

I'll give a 60-75 minute overview of concepts  
Then I'll answer your questions.  
Email me questions prior, so I can prepare... or not.  
If you can't attend, have someone take notes for you,  
If you can't attend, see me during office hours.  
I'll provide the review packet.

**Content**

Chapter 1-4 (through section 4.3)  
Need to know information from readings, lectures, homework and lab.  
Problem solving and conceptual questions.  
Equation sheet provided –provide feedback by noon the day before the exam.  
Copy of inside front cover of text provided

*Per the syllabus, you must attend the lecture section you are assigned for the exam.*

**Part I. Multiple Choice (3 pts each)**

12 problems  
Choose one answer.  
Show all work, since partial credit may be given.

**Part II. Short answer problems (12 pts each)**

Solve three of four problems given, your choice.  
All problems will have (at most) four parts (a) - (d)  
  
If you try to solve all four problems, please clearly indicate which problems you wish to have graded. If you do not indicate this, I will assume you want me to grade problems one, two and three.

Please show all of your work.  
Please include equations without numbers.  
Please provide units with all answers.  
Partial credit may be given if you include your work.

**Total available points: Part I : 36 Pts + Part II : 36 Pts = 72 pts.**

**Time to complete exam**

55 minutes: We will end at 10:55 AM ~~or 12:10 PM~~ on Friday  
**Note:** Spending 15 minutes on a 3 pt Multiple Choice not recommended.

**Exam Accommodations**

If you require academic accommodations such as extended time on exams, distraction reduced test environments... etc. please provide documentation of the accommodation from the Center for Student Success and coordinate with me about how you will take the exam. Failure to do so 48 hours prior to the exam means you will take the exam at the scheduled time under the standard conditions.
